To Whom It May Concern

We considered several builders for the renovation of our Paddington cottage, Paul & Drew impressed from the initial meeting and they continued to impress throughout the entire renovation. The quality of the work, the project management and communication were all of a very high standard.

It was not an easy renovation to do given it's position, the skill in which it was executed was excellent. All was completed in a very timely manor and we are very happy with the end result.

I would not hesitate to use them again, or to recommend them to perspective clients.

Kind Regards
